

VUC SPEED X3

Semi Synthetic

VUC SPEED X3 5W30/5W40/10W40 (SEMI SYNTHETIC)

VUC SPEED X3 5W30/5W40/10W40 is an advance Semi Synthetic oil which is made of advanced proprietary high performance group III base stocks, and has balance component system in cooperating additives like anti-wear antioxidant, detergent & dispersant gives better cleaning power & engine protection. It provides Outstanding thermal & Oxidation Stability, Enhanced Frictional Properties, Excellence Temperature Capabilities. It aids fuel economy and provides quick cold weather starting for ultrafast protection helps to extent engine life. Help prevent deposits & sludge build –up to enable long engine life. Excellent overall lubrication & wear protection Performance for many driving styles.

RECOMMENDED:

For all types of modern new generation vehicles, including high – performance turbo – charged, super charged Gasoline, Petrol & Diesel multi – value fuel
Injected engines found in Passengers Cars, SUVs, Light Cars & Trucks.

PERFORMANCE LEVEL:

VUC SPEED X3 5W30 / 5W40 / 10W40 meets API SN / ILSAC GF-5 performance standard exceeding API-SM.

Product Name	Kinematic Viscosity	Viscosity Index	Pour Point	Flash Point	HTHS
	@100 C-cst	0 C	0 C	0 C	Viscosity
5W30	10.5-12.0	160 min	-30	210	3.11
5W40	13.5-14.5	160 min	-30	210	3.10
10W40	13.5-14.5	157 min	-30	210	3.09
